

MOJE ERASMUS ISKUSTVO

Sudionik: Dr.sc. Dolores Pušar Banović, prodekanica za nastavu RRiF Visoke škole

Mjesto održavanja aktivnosti: Universidad de Castilla-La Mancha u Ciudad Realu, Španjolska

Trajanje mobilnosti: 18.-22. svibnja 2015.

Na Universidad de Castilla-La Mancha sudjelovala sam na Erasmus Staff Weeku čija je glavna tema bila provođenje Erasmus + programa i nove mogućnosti suradnje. Osim radionica i okruglih stolova sudionici su predstavili i ustanove i zemlje iz kojih dolaze.

Tijekom svog boravka ostvarila sam mnoge kontakte te nas uskoro očekuje i potpisivanje novih Erasmus+ ugovora!

Erasmus Staff Week

27 May 2015 By UCLM

The Vice chancellorship of International Relations and Lifelong Training, through the International Office in the Campus of Ciudad Real, has organized a five-day training conferences for staff from High Education Institutions within Erasmus+ programme.

The participants who come from different High Education Institutions in Germany, Croatia, Greece, Poland, Czech Republic, Romania and Turkey, will be able to share ideas and good practices to get a better develop of their international mobility at their home institutions. The IRO of Ciudad Real has organized a full program of cultural activities which will permit the participants to know better the functioning of the University as well as having the opportunity to visit the city and its surroundings.
