

16th International Conference Accounting and Management

The **Croatian Accountant Association** an independent association of accountants, tax advisers and financial professionals and the **RRIF College of Financial Management** organized **16th International Scientific and Professional Conference Accounting and Management – A&M**. This years conference was held in Primošte in beautiful hotel Zora Adriatic.

The objective of the 16th conference besides popularization of the profession and exchange of ideas, was to show the interdependence of accounting and management. Accounting is providing information and giving directions which is used, by the management, for making professional decisions in compliance with business politics.

At the opening of this year's conference attendees were addressed by Dolores Pušar Banović, PhD., Vice Dean of the RRIF College of Financial Management and Miroslav Buzadžić, Vice President of The Croatian Accountant Association.

The papers of participants were published in the Conference Proceedings.
