1. COURSE DESCRIPTION	
<i>1.1. Objectives</i>	
<p>The objective of the course is to enable students to differentiate the purpose and goals of various audit services and to be acquainted with the corresponding legal and professional regulations. The course contents are mostly investigated from the viewpoint of a user, not the provider of auditing services, in order to enable students to use the acquired knowledge in further practice. The objective is also to enable students to interpret the contents of an independent auditor's report, to determine if it has been prepared in accordance with the rules of the auditor's profession and to understand the meaning of the specific terms used in auditing financial reports.</p>
